

# SAINT LINUS SCHOOL

## What is FTC?

FTC stands for Family teacher Connection. The mission of the FTC is to foster a spirit of unity and cooperation among teachers, parents, and students of St. Linus School through organized and fun activities. While accomplishing this mission, we raise funds for the benefits of our teachers and students.

## How does FTC raise money?

This year FTC will sponsor cookie dough and St. Linus ornaments sales, a volleyball tournament and collect Box Tops. We are open to new ideas!

## Where does the money go?

40% of the funds raised throughout the year are spent on teacher and student supplies. In the past FTC has purchased books, computer software, videos, and teacher gift certificates for educational materials. FTC has helped supply the funds to support the playground equipment and supplies for the school.

40% of the funds are gifted to the teachers and faculty in the form of a cash bonus given at the end of the year. Our dedicated teachers have chosen to educate in the Catholic school system foregoing more lucrative salaries offered in the public school systems. Our gift is greatly appreciated by them.

The remaining 20% is used for financing non-fundraising events such as the Annual School Picnic, School Assemblies, "reading with Santa," Welcome Back Day, etc.

## How can we get involved?

It is simple to provide a better educational environment for our children. The 1<sup>st</sup> step is to join the Family Teacher Connection so we can keep you posted on all our sponsored events throughout the year. Do so by returning the completed registration form and fee at Welcome Back Day or to the school office in an envelope marked FTC. If you provide your e-mail address, information will be sent to you via e-mail.
