

SAINT LINUS SCHOOL

The Few, The Proud, The Future

Meeting Scheduled

Tuesday, October 11th

6:30pm School Library

Cookie Dough Orders will be accepted at the meeting!

What is FTC and what does it do?

Family Teacher Connection (FTC) fosters a spirit of unity and cooperation among teachers, parents, and students of St. Linus School through organized and fun activities. While accomplishing this mission, FTC raises funds for the benefit of our teachers and students through cookie dough and St. Linus ornaments sales, a volleyball tournament and Box Tops collection. In the past FTC has purchased books, computer software, videos, and teacher gift certificates for educational materials. FTC has helped supply the funds to support the playground equipment and supplies for the school. Funds are also used to host school events including Welcome Back Day, School Assemblies, "Reading with Santa" and the Annual School Picnic. Lastly, the teachers and faculty also receive a cash bonus at the end of the year. Our dedicated teachers have chosen to educate in the Catholic school system foregoing more lucrative salaries offered in the public school systems.

For more information come to our next meeting or email Veronica A. Dueñas at veroaranda@gmail.com.

Come to our meeting and share ideas about what activities and assemblies can be planned for St. Linus students this year!

2011 FTC Officers: Veronica A. Dueñas and Amy Greene
